## Dusk — Sofa Range

DUSK is a minimalist range that combines elegance and comfort. Characterised by a minimal and modern style, making it perfect for elegant and contemporary environments, Dusk is available in different configurations and also in an electric relax version.

Both versions, fixed or relax, are equipped with a headboard with a manual ratchet to guarantee a customised comfort experience thanks to the two different possible heights.

The minimalist design of the DUSK sofa is enhanced by certain details that make it even more elegant: the visible stitching, for example, gives the sofa a refined look, while the metal feet add visual lightness.
