Eliana — Chair Range

Based on architectural principles and the Scandinavian tradition, this chair is an innovative take on a timeless idiom. The curved backrest embraces and supports the body, while the harmonic shape is an approach to the minimalistic design idea of “less is more”. Emphasized by the elegant curves, this chair is an eye-catching piece of furniture that brings a light expression from a strong and solid construction.

Our Sales Assistants are fully trained on this range so feel free to ask them any questions in-store or online.
