## Maine — Dining Range

- This is a simple and chic range of dining furniture that has a French country feeling to the set.
- Reclaimed timbers are enhanced by a gently distressed elegant two tone finish and subtle metal detailing for a beautifully understated look.

*Our Sales Assistants are fully trained on this range so feel free to ask them any questions in-store or online.*

### The **RECLAIMED™** series

Combining the rustic charm of natural old wood with unique design of purposeful form, the **Reclaimed™** series of furniture is hand made, using recycled solid wood, which has been certified by the Forest Stewardship Council (FSC).

The re-purposed wood gives new life to otherwise discarded material, with each piece of furniture being unique in patina and grain, showing also the marks of the previous use and ageing. These subtle scratches, cracks and colour variations make each piece "one of a kind". The overall finish is created by hand polishing and brushing each piece with high quality environmentally friendly oils to create or enhance a genuine aged patina.

As with all natural wood products, slight movement is to be expected. For product care, please use a well respected furniture polish, or furniture repair pen.

The recycled paper carton used to package each piece of the **Reclaimed™** series of furniture is certified by the Forest Stewardship Council (FSC).
